Membership component is calculated pro-rata, with additional fee of \$12 / person (for insurance)

You are welcome to attend meetings and up to three walks before joining. A waiver is required to be signed for insurance purposes

Children must be accompanied by an adult and be paid members (for insurance purposes)

The Toowoomba Bushwalking Club Inc

Toowoomba Bushwalkers have been providing enjoyment to members since 1974.

Each month the club has a meeting, a day walk, weekend camp, and social outing. Activities vary and sometimes include pack walking, bike riding and canoeing. Walk difficulty varies on a trip by trip basis and caters for most skill levels.

Details of individual outings are available in each newsletter, at the preceding meeting or by contacting the trip leader. Many outings require pre-registration with the leader, and equipment and fitness levels should be discussed with the leader beforehand. New members may need to try an easier walk first. Please be cautious and honest about your skill level.

Visitors must sign a waiver and acknowledgement-of-risk form. Children must be accompanied by an adult and be paid members. These things are necessary for insurance purposes.

Members automatically receive the club's monthly newsletter "Footprint" via e-mail.

Meetings are the 2nd Wednesday of each month (except December)
